Introduction

On behalf of the Rokewood Corindhap Football Netball Club (RCFNC) we extend a warm welcome to all new and returning members for season 2025.

Season 2024 was a fabulous year for our football, netball teams with our Reserves, U/18s, U/15s, football all making finals. Our A Grade, C Grade, D Grade, 17/U, `15/U & 13/UA Netball also made finals with our 13/U team coming runners up in the Grand Final and our 15/U Netballers winning the Grand Final in a nail-biting time on.

The building of our new Clubrooms/change rooms complex has started and should be ready to use early to mid-year this year. We are excited to be able to move in once completed.

We thank everyone for putting their hand up last year to help with tasks around the club, especially on game days and we encourage everyone to continue the tradition of providing a helping hand when the opportunity presents. The future of the club depends on the continuation of volunteers.

On the field, wins are not the only measure of success, however and win, lose, or draw, we will collectively write another chapter in the rich history of the Rokewood Corindhap Football Netball Club.

Mission Statement

Rokewood Corindhap Football Netball Club prides itself on club principles being a local community sporting club that has our foundations built on the hard work of our players families, volunteers, loyal supporters and partnerships with our highly valued sponsors.

We aim to provide an opportunity for people to participate in a community club in a safe, friendly and family orientated environment.

Values Statement

HISTORY . RCFNC has a proud and successful heritage. We expect all to protect it and to be fully committed to ensuring that our club environment is free from discrimination and harassment, that discrimination and harassment will not be tolerated under any Circumstances and that appropriate disciplinary action will be taken against any person associated with the club who breaches this requirement.

YOUTH Our youth are the future of our club. We will provide an opportunity for our young people to participate in a safe and friendly environment, to transition into our senior ranks. We aim to develop our young people through comprehensive training programs overseen by suitably qualified coaching staff.

COMMUNITY We value the local communities from whom we draw support. We encourage community involvement through sponsorship, events and fundraising activities and be recognized as a leading contributor to the spirit of the RCFNC community.

RESPECT We are a united club. We always respect each other and the opposition -.

MEMBERS We endeavour to provide our members and visitors with a welcoming and enjoyable social and safe welfare environment.

Sponsors

Sponsors are a major source of income for RCFNC and critical to the survival of our club. Please take the time to familiarise yourself with our sponsors and support them at every opportunity. Please do not be afraid to identify yourself as a member of our club and thank them for their support. The club is always on the lookout for new sponsors, and we ask that members promote the club to potential sponsors, where they identify an opportunity to add sponsors providing goods and services without creating conflict with existing sponsors.

Membership

There are a range of membership packages available. Playing membership is compulsory and payment must be completed prior to round 1 game. Details of options available are via the RCFNC website. Memberships are also available for purchase in the Club Rooms

Volunteers

RCFNC depends on volunteers to survive. There are many positions and functions available. Please don't hesitate to offer to provide assistance, be it a once off, or a season long commitment. Remember many hands make light work!

Ambulance & Private Health Cover

The safety of members will always be of the primary concern. Club personnel will be instructed to err on the side of caution and call an ambulance if there is any doubt. The club **will not be responsible** for costs associated with ambulance transport or medical attention. The club **recommends** that families and individuals have private health insurance. Parents are advised to check the status of dependents who have left school to ensure they are still covered by their family cover.

Medical Information

Players are required to provide the details of any medical and medications taken to ensure this detail is available in the event of a medical emergency. All club members are encouraged to advise the club of any medical conditions so that the club has that information available in the event of a medical emergency while attending games.

Personal Insurance

Players and officials are covered for injury and public liability to the following levels through the AFL Victoria and Netball Victoria registrations.

It is advisable that all senior players have extra appropriate insurance to cover loss of income if they are unable to work due to injury.

Personal & Lost Property

The club will not be responsible for any personal property being lost or damaged whilst on club premises. General lost property will be stored in the trainer's room with an honesty policy in place for collection. Anything deemed of importance will be passed onto an executive member to be collected from. We strongly advise that all clothing/items are named.

Player, Official & General Members Registration

Upon purchasing financial membership, you are acknowledging the following;

- Read the club handbook.
- Read, understood and accept the club policies and code of conduct.
- Read, understood and accept the league and governing bodies' policies.

They will

- Behave in a manner that supports a safe and inclusive environment.

And acknowledge that

- Disciplinary action may be taken if it is deemed appropriate by club officials.

Club Policies

RCFNC has a range of policies to support the management and governance of our club. These policies have been developed to ensure that we can fulfil our vision, mission and value statements. They are important to ensure we have a safe and inclusive environment, which is fun and enjoyable for all members and supporters. We require that all members of our club read and follow these policies and guidelines, found on the club website, including those issued by the Central Highlands Football League, AFL Victoria, Netball Victoria, Central Highlands Netball League and AFL Goldfields.

Code of Conduct

Rokewood Corindhap Football and Netball Club play a vital role in encouraging the physical, social and emotional growth of children. It is therefore essential for all parents, coaches, officials, senior players and supporters to encourage our young football and netball players to embrace the values of good sportsmanship, discipline and character development. We must ensure we always lead by example.

All registered players and officials have, by virtue of their registration and acceptance of the terms and conditions, acknowledged their conduct is governed by the relevant league and other governing bodies' policies. Any violation of the governing policies could result in disciplinary action by RCFNC Coaches, Football or Netball Directors, or Committee as appropriate. This action may result in warnings, fines, or suspension.

Complaints and Discipline

In a club the size of ours, it's inevitable that there be some disagreement. Again, we emphasize that people behave in an appropriate and respectful manner. In the first instance any grievances should be discussed with relevant club official(s). For example, if a player has an issue with selection or game time they would discuss it with their coach. The player, or the coach, may request the involvement of the football or netball manager as appropriate. If the player is a junior they may wish for a parent or guardian to be present, depending on the nature of the discussion.

If a member of the club wishes for an issue to be addressed by the committee, they will be required to state the nature of their complaint in writing and what their expectations of the club are. There will be no exception to this requirement where a member wishes an issue is addressed by the committee or club executive.

SOCIAL EVENTS

All Social events will be advertised via Social Media on our Hoppers Page
